TO: Gasfitters/Installers, Natural Gas Utilities, Canadian Propane Association (CPA) Members, Propane Distributors, Accredited Municipalities and Agencies

In Alberta, under the **Safety Codes Act**, the inspection and approval of uncertified gas-fired appliances and equipment is to be conducted by nationally recognized certification bodies or inspection bodies accredited by the Standards Council of Canada.

A special inspection is not intended to be used as a means to accept appliances and equipment when certified products of similar type are available.
