

Provision of Materials to Persons Unable to Use Conventional Print Policy

The following are representative policy examples:

Olds Public Library

Town: Population in 2001 6,230

15.0 Provision of Materials to Persons Unable to Use Conventional Print

The Libraries Act Regulation 11.3 (n)

Provision of library materials to person unable to use conventional print materials including provision in co-operation with the Department of Community Development and Community Agencies.

The OML shall endeavour to provide materials in a form appropriate to the user, from whatever source is available.

Sources may be, but not limited to, interlibrary loan, Department of Community Development, or liaison with community, or handicapped support agencies in order to put the end user in touch with the source.
