

Municipal Sponsorship Program 2005 Municipal Project and Grant Summary

Municipality	Project Description	Approved Grant Amount
<u>City</u>		
BROOKS	Contribute to the electronic integration of council chambers and the emergency operating centre, which includes the purchase of document imaging, and council computer hardware and software.	\$151,000.00
CAMROSE	The City and County of Camrose are partnering to develop the county's website and website hosting, and upgrade the partnership's computer hardware and software.	\$214,000.00
CAMROSE	The City and County of Camrose are partnering to upgrade the regional emergency services program, which includes the purchase of defibrillators, firefighting equipment and an ambulance unit.	\$92,900.00
COLD LAKE	The City of Cold Lake and the Municipal District of Bonnyville are partnering to produce an Intermunicipal Development Plan.	\$40,900.00
COLD LAKE	Contribute to updating the municipal planning documents, which includes undertaking a growth management study, developing a new municipal development plan and updating the land use bylaws.	\$104,000.00
FORT SASKATCHEWAN	Contribute to the collection of digital municipal facilities and parks asset data, and the purchase of computer hardware.	\$60,800.00
LEDUC	The Cities of Leduc and Spruce Grove are partnering to implement Phase 5 of electronic service delivery in their respective communities. They are collaborating in the areas of business disaster recovery planning, recreation facility booking, financial systems, interactive voice recognition booking, service kiosks, and service request tracking.	\$330,000.00
LLOYDMINSTER	Contribute to the purchase and installation of electronic billing equipment, and the update of accounts receivable and operations management system software.	\$148,000.00
WETASKIWIN	The City and County of Wetaskiwin are partnering to construct two new fire stations.	\$420,000.00
<u>Specialized Municipality</u>		
MACKENZIE NO. 23, M.D. OF	The Municipal District of Mackenzie and the Towns of High Level and Rainbow Lake are partnering to implement video conferencing for the region, purchase laptop computers, and provide high-speed internet access for the Municipal District council.	\$223,000.00
MUNICIPALITY OF JASPER	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
<u>Municipal District</u>		
ACADIA NO. 34, M.D. OF	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$10,240.00
ATHABASCA NO. 12, COUNTY OF	The County and Town of Athabasca and the Village of Boyle are partnering to purchase a wheelchair accessible van for non-ambulatory residents.	\$69,700.00
ATHABASCA NO. 12, COUNTY OF	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00

Municipality	Project Description	Approved Grant Amount
ATHABASCA NO. 12, COUNTY OF	The County and Town of Athabasca are partnering to expand and upgrade the trail systems within the region.	\$107,000.00
BARRHEAD NO. 11, COUNTY OF	The County and Town of Barrhead are partnering to purchase a new regional pumper fire truck.	\$216,000.00
BEAVER COUNTY	Contribute to the extension of water and sewer services and utilities.	\$80,400.00
BIRCH HILLS COUNTY	Contribute to the purchase and installation of audiovisual equipment and mapping hardware and software.	\$27,800.00
BONNYVILLE NO. 87, M.D. OF	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
BRAZEAU COUNTY	Multi-Year Pilot Project to upgrade the Pih-to-kwe Campground, which includes installing utility services to existing campsites and the proposed shower house site, constructing the shower house, and expanding the number of serviced campsites.	\$98,800.00
CARDSTON COUNTY	Cardston County, the Towns of Cardston and Magrath, and the Village of Hill Spring are partnering on a council information enhancement project, which includes the purchase of laptop computers with wireless networking capability, computer projectors, audio recording and conferencing equipment, and installation and retrofitting of council chambers.	\$175,000.00
CLEAR HILLS NO. 21, M.D. OF	The Municipal District of Clear Hills and the Village of Hines Creek are partnering to purchase a street sweeper for joint use within the region.	\$64,600.00
CLEARWATER COUNTY	Clearwater County, the Town of Rocky Mountain House and the Village of Caroline are partnering to upgrade and reconfigure the county's radio system and to create two new receiver/transmitter sites.	\$220,000.00
CYPRESS COUNTY	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$39,120.00
CYPRESS COUNTY	Cypress County and the Town of Redcliff are partnering to implement a Global Positioning System on the region's fire trucks and the county's graders, and to upgrade the county's emergency radio system.	\$83,600.00
FAIRVIEW NO. 136, M.D. OF	The Municipal District and Town of Fairview are partnering to construct welcome signs along the highways entering Fairview.	\$36,800.00
FORTY MILE NO. 8, COUNTY OF	Contribute to the purchase and installation of fuel tanks, a computerized fuel system, pumps, barriers and chain link fencing.	\$46,400.00
GRANDE PRAIRIE NO. 1, COUNTY OF	Contribute to the purchase of computer hardware and software, the installation of high speed wireless towers, and training for staff and council.	\$40,100.00
GRANDE PRAIRIE NO. 1, COUNTY OF	The County of Grande Prairie and the Municipal District of Greenview are partnering to construct a facility for the Society for the Prevention of Cruelty to Animals.	\$127,000.00
GRANDE PRAIRIE NO. 1, COUNTY OF	The County of Grande Prairie and the Towns of Beaverlodge, Sexsmith and Wembley are partnering to purchase Geographic Information System (GIS) management software to maintain the application in-house and to set-up the GIS data within the region.	\$87,715.00

Municipality	Project Description	Approved Grant Amount
KNEEHILL COUNTY	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$22,000.00
LAC STE. ANNE COUNTY	Contribute to the development and implementation of an Environmental Management Plan and Policy, which includes hiring an environmental consultant.	\$11,000.00
LAC STE. ANNE COUNTY	Lac Ste. Anne County and the Town of Onoway are partnering to collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$52,500.00
LACOMBE COUNTY	Lacombe County and the Village of Clive are partnering to purchase a fire equipment van for the Clive fire department.	\$80,200.00
LACOMBE COUNTY	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
LAKELAND COUNTY	Contribute to the development and implementation of a rural addressing grid system, which includes installing road and address signs, and establishing links to the provincial 911 system, the county's Geographic Information System and financial databases.	\$88,100.00
LAMONT COUNTY	Contribute to the upgrade of the Andrew Arena, which includes the construction of the front lobby entrance.	\$25,100.00
LEDUC COUNTY	Leduc County and the Village of New Sarepta are partnering to construct an addition to the regional fire station.	\$108,000.00
LEDUC COUNTY	Leduc County, the Town of Calmar and the Village of New Sarepta are partnering to carry out Phase 2 redevelopment of the Jubilee Park day use area.	\$71,400.00
LESSER SLAVE RIVER NO. 124, M.D. OF	The Municipal District of Lesser Slave River and the Town of Slave Lake are partnering to purchase a portable cardiac monitor.	\$23,000.00
LESSER SLAVE RIVER NO. 124, M.D. OF	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$39,987.20
LETHBRIDGE, COUNTY OF	Contribute to conducting a ratepayer survey on municipal infrastructure priorities, and gather, map and analyze data using the Geographic Information System and the Municipal Infrastructure Management System.	\$16,600.00
MINBURN NO. 27, COUNTY OF	The County of Minburn and the Villages of Innisfree and Minburn are partnering to purchase a rapid fire attack unit.	\$98,401.55
MOUNTAIN VIEW COUNTY	Collect municipal infrastructure data.	\$40,000.00
MOUNTAIN VIEW COUNTY	Mountain View County and the Town of Sundre are partnering to establish and fund the first year of a Health and Safety Coordinator position, which includes the purchase of equipment, supplies, a projector and a new vehicle.	\$65,500.00
NEWELL NO. 4, COUNTY OF	Upgrade the postage machine and install a wireless network in the administration building.	\$17,842.50
NORTHERN LIGHTS NO. 22, M.D. OF	Contribute to the purchase of a digital base map, computer software and aerial photographs, and the collection of digital data on infrastructure and gravel supply.	\$62,400.00
NORTHERN SUNRISE COUNTY	Northern Sunrise County and the Peavine Métis Settlement are partnering to conduct a road infrastructure study, which includes data collection and an economic impact assessment of existing and proposed road systems in and around the Peace region oil sands.	\$37,200.00

Municipality	Project Description	Approved Grant Amount
NORTHERN SUNRISE COUNTY	Contribute to the development of a multi-year capital infrastructure plan, which includes rural roads and bridges, water, sewer, wastewater treatment, lighting and heating systems for the region's facilities, and street lighting.	\$17,400.00
OPPORTUNITY NO. 17, M.D. OF	Contribute to the installation of a web-based billing and payment system.	\$50,800.00
PAINTEARTH NO. 18, COUNTY OF	The County of Paintearth and the Town of Castor are partnering to install electronic communications equipment, and computer hardware and software in the council chambers.	\$46,227.25
PEACE NO. 135, M.D. OF	The Municipal District of Peace, the Town of Grimshaw and the Village of Berwyn are partnering to repair the existing driveway and parking area between Autumn Lodge and Autumn Villa.	\$35,638.75
PINCHER CREEK NO. 9, M.D. OF	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
PONOKA COUNTY	Ponoka County and the Towns of Ponoka and Rimbey are partnering to construct Phase 1 of a multi-use agricultural facility, which includes a riding arena, a concession area, offices, and 4H meeting and training rooms.	\$189,000.00
PROVOST NO. 52, M.D. OF	The Municipal District of Provost and the Village of Czar are partnering to construct a park gate and site finishing at Shorncliff Lake Park.	\$16,700.00
PROVOST NO. 52, M.D. OF	Contribute to the upgrade of the Hayter outdoor skating rink.	\$21,000.00
PROVOST NO. 52, M.D. OF	The Municipal District of Provost and the Villages of Amisk and Hughenden are partnering to purchase firefighting equipment, which includes a compressor and breathing apparatus.	\$35,725.00
RANCHLAND NO. 66, M.D. OF	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$10,000.00
RED DEER COUNTY	Contribute to the design and construction of feature signs for the Gasoline Alley/McKenzie Interchange.	\$72,700.00
SADDLE HILLS COUNTY	Contribute to the enhancement of the telephone and computer systems for the municipal office and the emergency operations centre.	\$39,000.00
SPIRIT RIVER NO. 133, M.D. OF	Contribute to the purchase of tents for outdoor community events.	\$1,560.04
ST. PAUL NO. 19, COUNTY OF	The County of St. Paul and the Town of Elk Point are partnering to enhance several recreation facilities in the region, which includes upgrading campground facilities and the Ravine Walking Trail, developing trail staging areas and purchasing a utility lawn mower.	\$100,000.00
ST. PAUL NO. 19, COUNTY OF	The County of St. Paul and the Towns of Elk Point and St. Paul are partnering to develop a searchable database for municipal bylaws.	\$38,900.00
STURGEON COUNTY	Sturgeon County and the Town of Morinville are partnering to purchase and install water meters and meter reading units in residences and businesses within the region.	\$170,000.00
STURGEON COUNTY	Contribute to a municipal development plan review and update.	\$26,500.00

Municipality	Project Description	Approved Grant Amount
TABER, M.D. OF	The Municipal District of Taber and the Towns of Taber and Vauxhall are partnering to upgrade the regional emergency communication system.	\$173,000.00
THORHILD NO. 7, COUNTY OF	Contribute to the purchase of aerial photographic images, mapping software, a workstation, a printer, and to develop a website.	\$50,500.00
TWO HILLS NO. 21, COUNTY OF	Purchase and install automatic vehicle location systems in county vehicles.	\$52,280.00
VERMILION RIVER NO. 24, COUNTY OF	The County of Vermilion River and the Villages of Marwayne and Paradise Valley are partnering to replace the public works shop/fire hall in Blackfoot, renovate the Marwayne fire hall, and expand the Paradise Valley fire hall.	\$126,000.00
VERMILION RIVER NO. 24, COUNTY OF	The County of Vermilion River and the Villages of Dewberry, Kitscoty, Marwayne and Paradise Valley are partnering to collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$50,000.00
VULCAN COUNTY	Contribute to the purchase and installation of a wireless radio tower northeast of the Village of Milo.	\$21,900.00
VULCAN COUNTY	The County and Town of Vulcan, the County of Lethbridge and the Villages of Barons, Carmangay and Champion are partnering to conduct a feasibility study for a regional water line to transport treated water.	\$18,500.00
WARNER NO. 5, COUNTY OF	Contribute to the purchase of laptop computers for council members and key administration staff, installing a new server and upgrading the website.	\$46,300.00
WESTLOCK COUNTY	Upgrade the communication towers, repeater sites and mobile radios, and install a Global Positioning System for emergency and maintenance equipment.	\$137,180.00
WHEATLAND COUNTY	The Counties of Wheatland, Lamont and Yellowhead and the Municipal District of Greenview are partnering to implement Phases 2 and 3 of a collection and management of infrastructure data project.	\$298,000.00
WILLOW CREEK NO. 26, M.D. OF	The Municipal District of Willow Creek and the Town of Claresholm are partnering to collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$60,800.00
WILLOW CREEK NO. 26, M.D. OF	Contribute to an electronic document management program, which includes conversion of municipal files to an electronic format.	\$29,600.00
WOODLANDS COUNTY	Contribute to the development of the Hard Luck Canyon and Water Fall site, which includes installing road and walking path signage and constructing pedestrian bridges, a retaining wall/barricade and stairs to the base of the canyon.	\$32,700.00
YELLOWHEAD COUNTY	Yellowhead County and the Town of Edson are partnering to develop the Yellowhead County/Edson Urban Fringe Plan, which includes research, consultation and development of an intermunicipal area structure development plan.	\$88,700.00
<u>Town</u>		
BANFF	The Town of Banff and Banff Improvement District are partnering to purchase computer equipment and software, and to develop a regional website.	\$149,000.00
BANFF	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$39,919.24

Municipality	Project Description	Approved Grant Amount
BASHAW	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$16,500.00
BEAUMONT	Contribute to the beautification of the main thoroughfare and entrance to the town.	\$94,100.00
BEAVERLODGE	Construct a highway signage kiosk to house maps and information boards.	\$4,747.50
BENTLEY	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$21,880.00
BLACK DIAMOND	Review and rewrite job descriptions for town staff.	\$4,665.00
BLACKFALDS	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
BON ACCORD	Replace the bay doors and concrete driveway pad at the fire hall.	\$30,640.00
BONNYVILLE	The Town and Municipal District of Bonnyville are partnering to expand the municipal ambulance facility, which includes an emergency dispatch centre, three new ambulance bays and a staff area.	\$145,000.00
BONNYVILLE	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
BOW ISLAND	Contribute to the upgrade of the sewer lift station, which includes the purchase of a transportable standby power system to maintain sewage flow systems.	\$27,300.00
BOWDEN	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$23,480.00
BRUDERHEIM	Contribute to the development of an environmental conservation and development plan, which includes hiring a university intern and training municipal staff.	\$16,900.00
CALMAR	The Town of Calmar and Leduc County are partnering to purchase a fire rescue vehicle to be used as a command post for emergency responses within the region.	\$43,900.00
CANMORE	The Town of Canmore and the Municipal District of Bighorn are partnering to complete the Harvie Heights trail system, which includes construction of roadway and sidewalks, provision of a rest area, and tree planting.	\$193,000.00
CARSTAIRS	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
CHESTERMERE	Purchase of computer software, file folders and labels, and hire a temporary records clerk.	\$17,152.50
COALDALE	Contribute to the purchase and installation of water meters and an automated water reading system.	\$65,000.00
COCHRANE	Contribute to the development and installation of a complete asset management strategy, which includes the collection of baseline asset inventory and asset condition data.	\$167,000.00
CORONATION	The Towns of Coronation and Castor and the County of Paintearth are partnering to construct a washroom and shower facility in the Coronation campground.	\$50,235.00
CROSSFIELD	Contribute to the purchase and installation of residential water meters.	\$28,500.00

Municipality	Project Description	Approved Grant Amount
CROWSNEST PASS	Install a handicap accessible elevator system in the Crowsnest Pass Complex.	\$60,809.50
CROWSNEST PASS	Develop a multi-use trail, which includes asphalt paving of the existing trail located in Blairmore.	\$103,540.50
DEVON	Purchase of snow removal equipment, which includes snow blower and plow attachments.	\$13,287.50
DIDSBURY	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
DRAYTON VALLEY	Contribute to the purchase of a scanner and labour costs to convert engineering drawings to a digital format and link them to the town's Geographic Information System.	\$4,812.75
DRAYTON VALLEY	The Towns of Drayton Valley and Coalhurst are partnering to implement an integrated financial software system as part of the MuniShare standardized web-based information system, which includes the MuniShare implementation fee, software license, IT equipment and support, and implementation support staff and expenses.	\$96,600.00
DRUMHELLER	Contribute to upgrading the telephone system, emergency radio communications and operating centre, media centre communications, and expanding the temporary and portable power system.	\$128,000.00
ECKVILLE	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$20,380.00
FAIRVIEW	The Town and Municipal District of Fairview are partnering to construct a shower and washroom facility, and supply and install a pump-out and fill station at Cummings Lake recreational area.	\$78,792.00
FORT MACLEOD	Contribute to the development of electronic information for council, which includes purchasing laptop computers, a photocopier, computer hardware and software, and installing the internet.	\$29,200.00
FOX CREEK	The Towns of Fox Creek and Valleyview are partnering to share the cost of a special constable, which includes clothing, equipment and a vehicle.	\$93,100.00
GIBBONS	Contribute to the development of a water and sanitary sewer infrastructure study, which includes hydrant testing and preparation of a development plan.	\$48,000.00
GRANDE CACHE	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
GRIMSHAW	The Town of Grimshaw, the Municipal District of Peace and the Village of Berwyn are partnering on the continued development of the intermunicipal economic development strategies in the Lac Cardinal region.	\$76,286.25
HANNA	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
HARDISTY	Contribute to the Phase 3 purchase and installation of water meters, which includes an automated meter reading system.	\$14,860.00
HIGH LEVEL	Contribute to the purchase and installation of an audiovisual communication system in council chambers.	\$44,200.00
HIGH PRAIRIE	Contribute to the construction of a baseball diamond on the northeast corner of the E.W. Pratt High School property.	\$39,000.00

Municipality	Project Description	Approved Grant Amount
HIGH RIVER	Contribute to the upgrade of computer equipment and software in the municipal office.	\$82,300.00
HINTON	Contribute to Phase 3 of the enhanced public communications strategy, which includes the implementation of a communications strategy, strategic marketing initiatives, a recreation marketing strategy and electronic council initiation.	\$111,000.00
HINTON	The Towns of Hinton and Edson, the Municipality of Jasper, Improvement District No.12 and Yellowhead County are partnering to support the 2006 Alberta Winter Games, which includes facility and administration costs, and equipment rentals.	\$196,000.00
INNISFAIL	Contribute to Phase 4 of the repair and upgrade of sidewalks, which includes the installation of wheelchair ramps along major walking thoroughfares.	\$17,725.00
IRRICANA	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$20,860.00
KILLAM	The Towns of Killam, Daysland and Sedgewick, Flagstaff County and the Villages of Alliance, Forestburg, Galahad, Heisler and Strome are partnering to establish a regional emergency communication system and central dispatch service.	\$230,200.00
LAC LA BICHE	Contribute to the development of a Municipal Infrastructure Management System, which includes the collection and mapping of roads, water and sanitary sewage systems.	\$35,900.00
LACOMBE	The Town and County of Lacombe are partnering to purchase an aerial equipped truck for use by the town's fire department and the Regional Fire Service.	\$187,000.00
LAMONT	The Town and County of Lamont are partnering to conduct engineering, site preparation and drainage analysis for paving the parking lot at the recreation complex.	\$41,600.00
LEGAL	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$21,160.00
MANNING	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$25,860.00
MAYERTHORPE	The Town of Mayerthorpe and Lac Ste. Anne County are partnering to purchase and install signage and a security system at the new recycling depot, and to install recycling bins within the region.	\$80,400.00
MCLENNAN	The Towns of McLennan and Falher, the Municipal District of Smoky River and the Villages of Donnelly and Girouxville are partnering to purchase a pumper fire truck for the Smoky River region.	\$132,300.00
MILK RIVER	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$14,415.60
MILLET	Purchase and install computer and audiovisual equipment in the council chambers.	\$5,092.50
MORINVILLE	Contribute to the upgrade of the downtown historic cemetery, which includes expansion, landscaping, paving, and installation of benches, garbage receptacles and signage.	\$43,500.00

Municipality	Project Description	Approved Grant Amount
MUNDARE	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$14,300.00
NANTON	Contribute to the landscaping, development of the park and access areas, and purchase of electronic signage and an overhead door for the arena at the Tom Hornecker Recreation Centre.	\$27,200.00
OKOTOKS	The Town of Okotoks and the Municipal District of Foothills are partnering to expand and renovate the town's fire services facility.	\$347,000.00
OLDS	Contribute to the creation of an electronic council and virtual town hall, which includes the purchase and installation of computer hardware and software, wireless connections and a ceiling projector.	\$94,700.00
OYEN	The Town of Oyen and the Village of Empress are partnering to collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$39,975.00
PEACE RIVER	Construct Phases 2 and 3 of a pedestrian walkway system to link the West Hill commercial area to the Saddleback Ridge residential area and to link the Peace River Bridge to the existing Friendship Trail, which includes site grading, preparation and asphalt surfacing.	\$124,800.00
PENHOLD	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$35,000.00
PICTURE BUTTE	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$20,412.00
PINCHER CREEK	Contribute to the purchase of office furniture and computer hardware and software.	\$65,600.00
PONOKA	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$37,980.00
PROVOST	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$39,600.00
RAYMOND	The Towns of Raymond, Cardston, Claresholm, Coaldale, Coalhurst, Fort Macleod, Granum, High River, Magrath, Milk River, Nanton, Picture Butte, Stavely, Taber and Vulcan, and the Villages of Arrowwood, Barnwell, Coutts, Cowley, Milo, Nobleford, Stirling, and Warner are partnering to develop new Geographic Information System (GIS) layers for the centralized Oldman River Region Urban GIS.	\$446,447.25
RAYMOND	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
REDCLIFF	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$40,000.00
REDWATER	Contribute to the enhancement of the infrastructure data collection system, which includes land title links, parcel owner information, locating service lines and linking to tax and utility files.	\$35,000.00
RIMBEY	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$38,880.00
ROCKY MOUNTAIN HOUSE	Contribute to the renovation of the town office and relocation of staff.	\$27,900.00

Municipality	Project Description	Approved Grant Amount
SEXSMITH	Construct a playground and develop the grounds at the Sexsmith and Area Community Centre.	\$33,845.00
SLAVE LAKE	Contribute to a community recreation facility needs assessment and development strategy, which includes developing a detailed design document.	\$91,700.00
SPIRIT RIVER	Develop a historical walking tour within the town, which includes the provision of information brochures, interpretive plaques and carved benches.	\$9,180.29
SPIRIT RIVER	The Town and Municipal District of Spirit River are partnering to purchase fitness equipment for the Spirit River Regional Academy Community Fitness Centre.	\$12,300.00
ST. PAUL	The Town and County of St. Paul are partnering to construct an addition to the fire and emergency services facility to accommodate fire and emergency vehicles.	\$105,000.00
STAVELY	Purchase computers and software to be utilized by the public works and fire departments.	\$3,000.00
STETTLER	The Town and County of Stettler and the Villages of Big Valley and Donalda are partnering to construct a fitness area addition to the Stettler Leisure Centre, and to link the centre to the arena complex.	\$177,000.00
STONY PLAIN	Contribute to the development of a community sustainability plan, which includes the collection of municipal infrastructure data, and development of a recreation and open space plan and a housing strategy.	\$121,000.00
STRATHMORE	Contribute to the development of an infrastructure asset management and Geographic Information System plan.	\$121,000.00
SUNDRE	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$37,632.20
SWAN HILLS	The Town of Swan Hills and Municipal District of Big Lakes are partnering to develop an electronic council, which includes the purchase of laptop computers, a printer, computer hardware and software, and internet connection.	\$36,500.00
SWAN HILLS	The Town of Swan Hills and the Municipal District of Big Lakes are partnering to conduct a new fire hall feasibility study and to purchase emergency response equipment, which includes an air compressor, air packs, cylinders with carrying cases, chest straps and face pieces with harnesses.	\$93,400.00
SYLVAN LAKE	The Town of Sylvan Lake and the Villages of Birchcliff, Half Moon Bay, Jarvis Bay, Norglenwold, and Sunbreaker Cove are partnering to construct Phase 2 of the Sylvan Lake regional multi-purpose facility.	\$218,000.00
THREE HILLS	Contribute to the preparation of a sustainability plan, which includes the assessment of future economic development, land use, municipal facilities and a strategic approach to long-term growth.	\$55,000.00
TOFIELD	Contribute to water and power servicing to campsites at the Beaver West Campground.	\$26,900.00
TROCHU	The Town of Trochu and Kneehill County are partnering to purchase computer hardware and software for the town and county administration offices.	\$46,900.00
TURNER VALLEY	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$25,000.00

Municipality	Project Description	Approved Grant Amount
TWO HILLS	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$21,820.00
VEGREVILLE	The Town of Vegreville and the County of Minburn are partnering to construct a library complex, which includes incorporating the existing school gymnasium into the new structure.	\$146,898.45
VERMILION	The Town of Vermilion and the County of Vermilion River are partnering to develop Phase 2 of the town's multi-use trail project, which includes base work, asphalt paving, signage and benches.	\$55,400.00
VERMILION	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$39,915.00
VIKING	The Town of Viking and the Village of Irma are partnering to collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$38,800.00
WAINWRIGHT	The Town and Municipal District of Wainwright are partnering to purchase an emergency pumper unit to respond to emergencies within the region.	\$188,000.00
WEMBLEY	Contribute to the construction of a skateboard park, which includes the plan and design, construction and landscaping.	\$21,900.00
WESTLOCK	Purchase a water pumper truck to be used by the volunteer fire department.	\$96,400.00
WHITECOURT	Contribute to the enhancement of the Twin Arenas facility, which includes upgrades and moderization to both arenas.	\$97,100.00
<u>Village</u>		
ACME	Contribute to the upgrade of the administration building, which includes renovations, door replacement, painting, and flooring and electrical upgrades.	\$9,970.00
ALBERTA BEACH	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$15,200.00
ALIX	Collect municipal infrastructure data using the Municipal Infrastructure Management System.	\$16,000.00
AMISK	Contribute to the purchase of a maintenance vehicle, including a sander attachment.	\$7,500.00
ANDREW	Contribute to the resurfacing of concrete sidewalks with asphalt.	\$8,550.00
ARROWWOOD	Contribute to the purchase and installation of an automatic underground watering system for the municipal park.	\$2,110.00
BARONS	Contribute to the construction of wheelchair access to the community centre and new sidewalks.	\$9,000.00
BAWLF	Purchase a truck for municipal operations.	\$10,000.00
