

Municipal Sponsorship Program 2006 Municipal Project and Grant Summary

Municipality	Project Description	Approved Grant Amount
<u>City</u>		
BROOKS	The City of Brooks will implement communications and systems upgrades to the Lakeside Leisure Centre, which will include implementing an online program registration and facility booking system, and installing audiovisual equipment throughout the facility.	\$200,000.00
CAMROSE	The City of Camrose and Camrose County are partnering to purchase emergency utility trailers, a rapid intervention team rescue kit, and equipment and furniture for the emergency operations centre and training room.	\$39,774.29
CAMROSE	The City of Camrose will purchase and install a fibre optic cable/conduit to complete the local area network between the fire hall, police station, and city hall.	\$132,185.63
COLD LAKE	The City of Cold Lake will develop a facilities management plan, which will outline the long-term management of municipal assets.	\$120,408.75
FORT SASKATCHEWAN	The City of Fort Saskatchewan will hire a consultant to complete a functional plan and a conceptual design to re-create the 1875 Historic Old Fort Site.	\$27,853.88
FORT SASKATCHEWAN	The City of Fort Saskatchewan will prepare a long-term recreation and cultural facility master plan to address future enhancements.	\$99,942.37
LEDUC	The City of Leduc will enhance its financial processes by integrating Finance and Human Resources systems, permitting electronic fund transfers, extending access of financial information to select users, and implementing customer bill payments online and at civic locations.	\$56,821.50
LEDUC	The City of Leduc will undertake research and other activities required to update its off-site levy bylaw.	\$59,942.03
LLOYDMINSTER	The City of Lloydminster will purchase and install radio-read water meters for all commercial water customers.	\$152,517.75
SPRUCE GROVE	The City of Spruce Grove will implement an asset management system, which will include software installation, data collection and conversion, and training.	\$82,997.89
SPRUCE GROVE	The City of Spruce Grove will develop an alternate data centre as part of the information systems disaster recovery plan to ensure the continuity of city operations.	\$93,593.36
WETASKIWIN	The City of Wetaskiwin will convert its old court house building into the new city hall, part of which will entail constructing two new wings using high energy efficiency glass walls, and installing a geothermal heating system to both heat and cool the building.	\$116,770.00
<u>Specialized Municipality</u>		
JASPER, MUNICIPALITY OF	The Municipality of Jasper will upgrade its water mains, which includes the excavation and replacement of lead pipe between the mains and the curb stop.	\$60,352.00
MACKENZIE COUNTY	Mackenzie County will create a geographic information system for municipal infrastructure and transportation data.	\$104,667.75

Municipality	Project Description	Approved Grant Amount
REG MUN OF WOOD BUFFALO	The Regional Municipality of Wood Buffalo will contribute to the reconstruction of the Archie Simpson Arena.	\$75,965.00
<u>Municipal District</u>		
ATHABASCA NO. 12, COUNTY OF	The County of Athabasca, the Town of Athabasca, and the Village of Boyle are partnering to install building and other energy efficiency retrofits to the Village of Boyle Arena and the Athabasca Regional Multiplex.	\$175,661.00
BEAVER COUNTY	Beaver County and the Village of Holden are partnering to construct an extension to the Holden Fire Hall.	\$73,209.00
BIGHORN NO. 8, M.D. OF	The Municipal District of Bighorn will purchase an all-terrain vehicle, a trailer, and related equipment.	\$14,086.00
BIRCH HILLS COUNTY	Birch Hills County will review its land use bylaw and develop an area structure plan for the hamlet of Watino.	\$13,619.00
BONNYVILLE NO. 87, M.D. OF	The Municipal District of Bonnyville will purchase and install an integrated global positioning system for its municipal offices and vehicles to improve road infrastructure management.	\$21,441.52
CAMROSE COUNTY	Camrose County will implement the mapping component of a geographic information system and global positioning system (GPS) project, including the purchase of software, GPS handheld units, sketching units, laptop computers, and training for county staff.	\$76,433.00
CARDSTON COUNTY	Cardston County will replace the trees and install a drip water system at the Hartley Cemetery.	\$5,291.25
CLEAR HILLS COUNTY	Clear Hills County and the Village of Hines Creek are partnering to construct primary broadband wireless network towers.	\$64,632.56
CYPRESS COUNTY	Cypress County will implement a global positioning system for its public works vehicles.	\$75,190.50
FAIRVIEW NO. 136, M.D. OF	The Municipal District of Fairview and the Town of Fairview are partnering to upgrade the Fairview Municipal Airport, which includes renovating the washroom facility, terminal inside walls, ceiling and lighting; replacing the existing water cistern with a concrete potable water cistern; and installing an additional windsock on the airstrip.	\$46,840.91
FORTY MILE NO. 8, COUNTY OF	The County of Forty Mile and the Village of Foremost are partnering to purchase bunker gear for the Foremost and District Fire Department, and the identification, purchase, and installation of rural address status signs for occupied residences.	\$75,906.19
GRANDE PRAIRIE NO. 1, COUNTY OF	The County of Grande Prairie will purchase a water tanker truck.	\$122,687.90
GRANDE PRAIRIE NO. 1, COUNTY OF	The County of Grande Prairie will complete phase 1 of a rural addressing program that involves generating addresses and developing and integrating driveway location data into the existing property tax system and geographical information system.	\$31,075.60
LAC STE. ANNE COUNTY	Lac Ste. Anne County will contribute to the construction of a recycling and waste transfer station.	\$98,571.00
LACOMBE COUNTY	Lacombe County and the Town of Blackfalds are partnering to purchase a water tanker truck and a two-way radio.	\$200,146.04

Municipality	Project Description	Approved Grant Amount
LAKELAND COUNTY	Lakeland County and the Town of Lac La Biche are partnering to construct multi-use and interpretive trails, park and picnic benches, and trail signage at a regional park.	\$59,516.25
LAMONT COUNTY	Lamont County and the Village of Andrew are partnering to purchase a fire pumper truck.	\$85,663.88
LEDUC COUNTY	Leduc County, the towns of Beaumont and Calmar, and the villages of New Sarepta and Warburg are partnering to undertake phase 1 of a regional global positioning, automatic vehicle location, and geographic information systems project.	\$288,080.73
LESSER SLAVE RIVER NO. 124, M.D. OF	The Municipal District of Lesser Slave River and the Town of Slave Lake are partnering to purchase and equip a new ground ambulance.	\$150,315.00
LETHBRIDGE, COUNTY OF	The County of Lethbridge will purchase water meters, meter heads, a meter reading unit, and system software.	\$58,669.88
MINBURN NO. 27, COUNTY OF	The County of Minburn, the Town of Vegreville, and the villages of Innisfree, Mannville, and Minburn are partnering to develop and implement a rural municipal addressing system.	\$88,590.15
MOUNTAIN VIEW COUNTY	Mountain View County will contribute to the purchase of a pumper truck for the Town of Carstairs Fire Department.	\$145,104.51
NEWELL NO. 4, COUNTY OF	The County of Newell will replace its computer server.	\$20,274.00
NEWELL NO. 4, COUNTY OF	The County of Newell will expand the administration's telephone system to the agricultural services building and the public works shop and office.	\$19,260.00
NEWELL NO. 4, COUNTY OF	The County of Newell will replace the printer in the financial services area.	\$11,150.00
NORTHERN LIGHTS NO. 22, M.D. OF	The Municipal District of Northern Lights will purchase fire fighting equipment and supplies, and training for fire department members.	\$50,245.00
NORTHERN SUNRISE COUNTY	Northern Sunrise County will purchase and install video conferencing equipment, an electronic white board, a laptop computer, and an overhead camera and projector for the council chambers and emergency response centre.	\$17,546.10
NORTHERN SUNRISE COUNTY	Northern Sunrise County will implement a document management system, which will include purchasing and configuring software and desktop scanners, and training staff.	\$10,634.00
OPPORTUNITY NO. 17, M.D. OF	The Municipal District of Opportunity will develop an area structure plan for the Wabasca-Desmarais area to address current and future planning of land use and zoning, infrastructure, industry, and recreational needs.	\$49,483.50
PAINTEARTH NO. 18, COUNTY OF	The County of Paintearth, the towns of Castor and Coronation, and the Village of Halkirk are partnering to purchase a trailer, including equipment, tools, and signage, to serve as a mobile emergency assistance unit.	\$20,038.34
PINCHER CREEK NO. 9, M.D. OF	The Municipal District of Pincher Creek will implement an electronic document storage system, which will include purchasing computer hardware, installing software, obtaining web access, training staff, and converting documents.	\$27,379.00
PROVOST NO. 52, M.D. OF	The Municipal District of Provost will contribute to the preparation of an area structure plan for the Hardisty Petro Park Area.	\$19,342.13

Municipality	Project Description	Approved Grant Amount
PROVOST NO. 52, M.D. OF	The Municipal District of Provost and the Village of Amisk are partnering to construct an addition to the Amisk fire hall to house a new pumper.	\$26,087.13
RANCHLAND NO. 66, M.D. OF	The Municipal District of Ranchland will carry out research and data gathering for an ecological resources inventory and an environmentally significant areas study.	\$6,375.60
RED DEER COUNTY	Red Deer County will assist recreation facilities in the region to install building, heating, and lighting retrofits.	\$178,521.75
SADDLE HILLS COUNTY	Saddle Hills County, the Municipal District of Spirit River, and the Town of Spirit River are partnering to prepare municipal development plans and an intermunicipal development plan, and to update land use bylaws.	\$76,568.25
SMOKY LAKE COUNTY	Smoky Lake County, the Town of Smoky Lake, and the villages of Vilna and Waskatenau are partnering to develop a strategic plan for the region and three-year business plans for the partner municipalities.	\$9,730.25
SMOKY LAKE COUNTY	Smoky Lake County, the Town of Smoky Lake, and the villages of Vilna and Waskatenau will implement phase 1 of a geographic information system.	\$68,111.80
SMOKY RIVER NO. 130, M.D. OF	The Municipal District of Smoky River, the towns of Falher and McLennan, and the Village of Girouxville are partnering to purchase capital equipment for the Little Smoky Ski area, including pumps and kitchen appliances for the chalet.	\$90,039.50
ST. PAUL NO. 19, COUNTY OF	The County of St. Paul and the Town of St. Paul are partnering to install power hook-ups and upgrade electrical systems at Floating Stone Park and Lac Bellevue Park campsites.	\$37,819.69
ST. PAUL NO. 19, COUNTY OF	The County of St. Paul and the Town of Elk Point are partnering to purchase and install playground equipment at the Elk Point Elementary School site.	\$50,285.94
STETTLER NO. 6, COUNTY OF	The County of Stettler, the Town of Stettler, the villages of Big Valley, Botha and Donalda, and the summer villages of Rochon Sands and White Sands are partnering to implement a regional system for emergency 911 dispatch communications.	\$218,414.63
STURGEON COUNTY	Sturgeon County will convert utility paper records into digital format to populate and develop the County's geographic information system and asset management system.	\$50,505.84
STURGEON COUNTY	Sturgeon County will purchase and install additional automatic water meter reading devices.	\$43,290.72
STURGEON COUNTY	Sturgeon County will purchase a new large-volume fire tanker.	\$86,581.44
TABER, M.D. OF	The Municipal District of Taber will purchase electronic equipment and accessories, which will include a server, server memory, and storage drives; a mobile server rack and stand; an interactive whiteboard; video conferencing equipment; laptops for councillors; and, related software, training and installation.	\$45,060.00
THORHILD NO. 7, COUNTY OF	The County of Thorhild will develop and implement municipal servicing standards and development agreement templates for residential, commercial, and industrial subdivisions and developments.	\$44,286.00

Municipality	Project Description	Approved Grant Amount
TWO HILLS NO. 21, COUNTY OF	The counties of Two Hills and Vermilion River, the Municipal District of Bonnyville, the Town of Vermilion, and the Village of Mannville are partnering to conduct high resolution ortho imagery for each municipality's geographic information system.	\$240,271.54
VERMILION RIVER, COUNTY OF	The County of Vermilion River will complete the review of its land use bylaw and municipal development plan, which will include public consultations, presentations, and the drafting of the revised planning documents.	\$12,155.22
VULCAN COUNTY	Vulcan County will repair the emergency overflow spillway of the McGregor Community Dam.	\$51,885.90
WAINWRIGHT NO. 61, M.D. OF	The Municipal District of Wainwright and the Village of Chauvin are partnering to purchase a water tanker truck.	\$84,601.69
WARNER NO. 5, COUNTY OF	The County of Warner will purchase an all terrain fire-fighting vehicle.	\$52,116.90
WESTLOCK COUNTY	Westlock County will enhance its global positioning system (GPS) by completing the rural addressing component, purchasing the office software and hardware, and installing GPS units on its emergency and maintenance vehicles.	\$81,336.75
WETASKIWIN NO. 10, COUNTY OF	The County of Wetaskiwin will construct a new building for emergency services and public works, which will include vehicles, an emergency operations centre, training facilities, and office space.	\$101,685.38
WHEATLAND COUNTY	Wheatland County, Kneehill County, and the Municipal District of Greenview are partnering to purchase and install a vehicle location, tracking, and equipment data reporting system.	\$285,109.69
WILLOW CREEK NO. 26, M.D. OF	The Municipal District of Willow Creek and the Town of Stavely are partnering to purchase a multi-purpose fire and rescue emergency response vehicle.	\$72,078.45
WILLOW CREEK NO. 26, M.D. OF	The Municipal District of Willow Creek will conduct a hydrological assessment of the groundwater supply sources for the Moon River Estates Water Treatment Plant.	\$16,503.07
YELLOWHEAD COUNTY	Yellowhead County and the Town of Hinton are partnering to purchase a rapid response vehicle for the Hinton Fire Department.	\$130,380.94
<u>Town</u>		
BANFF	The Town of Banff will develop and implement a "wayfinding" signage plan, which will include the production and installation of signs in priority areas.	\$92,748.00
BARRHEAD	The Town of Barrhead and the County of Barrhead are partnering to purchase a mechanical power sweeper and upgrade the outdoor ice rink.	\$239,417.50
BASHAW	The Town of Bashaw will upgrade its municipal accounting software.	\$10,425.00
BASSANO	The Town of Bassano will purchase fire fighting equipment, which includes back pack breathing apparatus, air cylinders, communication devices, and other related equipment.	\$23,496.00
BEAUMONT	The Town of Beaumont will purchase a portable generator and pandemic personal protective equipment for the new RCMP facility.	\$46,864.13

Municipality	Project Description	Approved Grant Amount
BEAVERLODGE	The Town of Beaverlodge will upgrade the campsite by installing water and sewer systems.	\$33,382.80
BENTLEY	The Town of Bentley will replace defective sewage pipes.	\$20,885.70
BLACK DIAMOND	The Town of Black Diamond will collect infrastructure information using the Municipal Infrastructure Management System.	\$29,802.30
BON ACCORD	The Town of Bon Accord will produce a municipal development plan, which will help it better manage future development.	\$25,945.00
BONNYVILLE	The Town of Bonnyville will construct a storm water management pond, a lift station, and a new storm water main to alleviate the flooding problem in the North Point subdivision area.	\$73,392.00
BOW ISLAND	The Town of Bow Island will insulate its arena.	\$16,898.38
BOW ISLAND	The Town of Bow Island will purchase and install a new mixer for a sewer lift station.	\$11,032.82
BOWDEN	The Town of Bowden will replace manholes and excavate waste, which will contribute to the maintenance of the sewer system.	\$21,809.70
BRUDERHEIM	The Town of Bruderheim will upgrade the community hall, which includes replacing the plumbing fixtures, kitchen cabinets, stove, flooring, and counters.	\$13,414.00
CANMORE	The Town of Canmore will develop a new Municipal Development Plan and conduct a related public consultation process, which will include workshops, open houses, web-based interactive tools, surveys, and publications.	\$119,146.50
CARDSTON	The Town of Cardston and Cardston County are partnering to install a new generator in the water treatment plant and to relocate the replaced generator to the emergency operations centre, which includes providing appropriate storage facilities.	\$101,952.97
CARSTAIRS	The Town of Carstairs and Mountain View County are partnering to upgrade the town's emergency services facility with building and communication system improvements.	\$57,385.56
CASTOR	The Town of Castor, the County of Paintearth, the Town of Coronation, and the Village of Halkirk are partnering to renovate the Castor fire hall and ambulance bay to improve energy efficiencies, and provide needed space for training and administration.	\$79,642.20
CHESTERMERE	The Town of Chestermere will purchase an emergency services command vehicle and equipment for rapid medical response and fire support.	\$89,958.00
CLARESHOLM	The Town of Claresholm will expand the Frog Creek drainage ditch to improve the storm water drainage system and prevent flooding.	\$50,084.10
COALDALE	The Town of Coaldale will purchase and install water meters and meter transceiver units.	\$75,108.00
COALHURST	The Town of Coalhurst and the County of Lethbridge are partnering to purchase a quick response fire emergency vehicle.	\$80,717.28

Municipality	Project Description	Approved Grant Amount
COALHURST	The Town of Coalhurst will upgrade the network server and purchase computer hardware to enhance the use of the Municipal Infrastructure Management System and the geographic information system.	\$8,922.95
COCHRANE	The Town of Cochrane will purchase equipment, appliances, and furniture for its new protective services facility.	\$129,426.00
CROSSFIELD	The Town of Crossfield will purchase and install radio-read water meters.	\$38,314.65
CROWSNEST PASS	The Municipality of Crowsnest Pass will undertake phase 2 of the community walking trail project, which includes base preparation and paving of trail surfaces between Blairmore and Coleman.	\$140,863.75
DEVON	The Town of Devon will construct a new wastewater lift station, which includes the installation of high efficiency pumps.	\$75,033.75
DIDSBURY	The Town of Didsbury will purchase waste bins for composting organic material to operate the Green Bin Program.	\$53,664.60
DRAYTON VALLEY	The Town of Drayton Valley will study, design, and develop the concept of a sustainable energy efficient subdivision within the boundaries of the town.	\$30,393.00
DRAYTON VALLEY	The Town of Drayton Valley will upgrade its fire department and emergency services training room by purchasing new computers, digital equipment, and furniture, and undertaking necessary electrical and framing upgrades.	\$45,589.50
DRUMHELLER	The Town of Drumheller will purchase a new pumper truck for the Rosedale Fire Hall.	\$88,976.25
ECKVILLE	The Town of Eckville will purchase and install playground equipment and resurface the playground area.	\$16,503.00
EDSON	The Town of Edson and Yellowhead County are partnering to purchase a new regional heavy rescue unit for the Edson and District Volunteer Fire Department.	\$183,619.23
FAIRVIEW	The Town of Fairview and the Municipal District of Fairview are partnering to purchase and install an energy efficient water aeration system for one of the town's water reservoirs.	\$45,336.36
FORT MACLEOD	The Town of Fort Macleod will enhance its Municipal Infrastructure Management System by completing data collection and entry, auditing existing inventory data, and conducting a condition assessment for its infrastructure.	\$42,785.00
GIBBONS	The Town of Gibbons will implement a geographic information system to manage infrastructure assets.	\$39,781.50
GRANDE CACHE	The Town of Grande Cache will purchase and install new automated water meters.	\$52,463.00
GRANUM	The Town of Granum will study the scope of its existing wastewater infrastructure problem, and identify options for upgrading the related infrastructure.	\$11,187.00
GRIMSHAW	The Town of Grimshaw and the Municipal District of Peace are partnering to pave the parking lot at the Grimshaw Visitor Information Centre.	\$29,646.25

Municipality	Project Description	Approved Grant Amount
GRIMSHAW	The Town of Grimshaw, the Municipal District of Peace, and the Village of Berwyn are partnering to continue the Lac Cardinal Intermunicipal Economic Development Strategy.	\$38,206.69
HARDISTY	The Town of Hardisty will review infrastructure operations, assess equipment replacement options, and purchase a sanding unit.	\$9,750.51
HARDISTY	The Town of Hardisty will develop an area structure plan to guide future commercial and industrial development.	\$2,437.63
HIGH LEVEL	The Town of High Level will gather data on municipal facilities and infrastructure for incorporation in the town's geographic information system.	\$52,705.95
HIGH PRAIRIE	The Town of High Prairie will conduct an infrastructure assessment and prepare a capital planning report.	\$40,821.00
HIGH RIVER	The Town of High River and the Municipal District of Foothills are partnering to purchase emergency equipment for local fire departments to use.	\$292,054.34
HIGH RIVER	The Town of High River and the County of Wetaskiwin are partnering to contribute to the development of eAgenda software, which will automate the council agenda preparation process.	\$39,081.75
HINTON	The Town of Hinton will prepare a Highway 16 Corridor Plan, which includes addressing transportation, land use, streetscape, signage, and architectural design issues and guidelines.	\$51,170.63
INNISFAIL	The Town of Innisfail will repair existing sidewalks and install para-ramps on major thoroughfares.	\$51,040.00
IRRICANA	The Town of Irricana will update the existing infrastructure study to include a growth plan, the costs of upgrading infrastructure, and future land needs.	\$21,001.20
KILLAM	The Town of Killam and Flagstaff County, the towns of Daysland, Hardisty, and Sedgewick, and the villages of Alliance, Forestburg, Galahad, Heisler, Loughheed and Strome are partnering to implement regional emergency services in the Flagstaff region, which includes hiring a regional services emergency coordinator, funding regional emergency dispatch costs, and completing communication equipment upgrades.	\$208,469.00
LAC LA BICHE	The Town of Lac La Biche will collect infrastructure data using the Municipal Infrastructure Management System.	\$30,234.60
LACOMBE	The Town of Lacombe and Lacombe County are partnering to expand the Lacombe Regional Centennial Centre and incorporate energy efficient windows and insulation.	\$156,905.73
LAMONT	The Town of Lamont will install playground equipment for the community ball park.	\$16,844.00
LEGAL	The Town of Legal will engage a consultant to review and update the town's bylaw registry and database.	\$12,406.00
MANNING	The Town of Manning will construct new ball diamonds.	\$14,051.00
MAYERTHORPE	The Town of Mayerthorpe is developing phase 2 of the Municipal Infrastructure Management System, which will include completing the ongoing field survey, inputting field survey data, and preparing infrastructure management plans.	\$26,383.50

Municipality	Project Description	Approved Grant Amount
MILK RIVER	The Town of Milk River will replace the town hall's heating, ventilating, and air conditioning (HVAC) system with a more energy efficient HVAC system, to reduce utility costs.	\$18,003.15
MILLET	The Town of Millet will purchase and install a new audio/visual system for the council chambers in the new administration building.	\$19,875.00
MORINVILLE	The Town of Morinville is upgrading the town's water pumping facilities, which will include a radio-path study and equipment, installation of programmable logic controllers, removal of all obsolete components, and upgrades to the primary control elements.	\$78,705.00
MUNDARE	The Town of Mundare will complete a camera survey of its sewer system and input inventory information into the Municipal Infrastructure Management System.	\$11,520.14
MUNDARE	The Town of Mundare will replace the roof and venting system of a sewer lift station.	\$4,047.62
NANTON	The Town of Nanton and the Municipal District of Willow Creek are partnering to upgrade the Nanton Cemetery, which includes fencing, signage, and installing an additional columbarium.	\$27,616.25
OKOTOKS	The Town of Okotoks will purchase a multi-purpose fire services vehicle that is equipped with an aerial platform and pumping apparatus.	\$120,978.00
OLDS	The Town of Olds will purchase and install equipment to recover and divert waste heat generated at the Olds Recreation Complex for other productive uses within the complex.	\$80,049.75
ONOWAY	The Town of Onoway will engage in a process to revise its municipal development plan, which will include conducting public consultations.	\$20,215.80
PEACE RIVER	The Town of Peace River will upgrade its local area network, which includes implementing wireless network capability and purchasing and installing equipment and software.	\$124,800.00
PENHOLD	The Town of Penhold will purchase a drive-by radio-read system, which will automate water meter reading.	\$28,462.00
PINCHER CREEK	The Town of Pincher Creek will set up a steering committee, hire a consultant, and conduct public consultations to develop a parks and open space master plan.	\$50,592.30
PONOKA	The towns of Ponoka and Rimbey, and the County of Ponoka are partnering to conduct a comprehensive needs assessment of all community recreation facilities in the region.	\$29,604.11
PONOKA	The Town of Ponoka, Ponoka County, and the Town of Rimbey are partnering to construct an addition to the fire hall, remodel the existing locker area, and set up special areas for equipment maintenance, storage, and breathing apparatus.	\$229,899.67
PROVOST	The Town of Provost will purchase laptop computers for council and administration, and install multi-media equipment in public facility meeting rooms.	\$19,546.00

Municipality	Project Description	Approved Grant Amount
RAINBOW LAKE	The Town of Rainbow Lake will purchase and install a limited weather information system at the Rainbow Lake Airport and will develop the design and application to Transport Canada for a global positioning system approach to the airport.	\$21,948.30
RAYMOND	The Town of Raymond and the Village of Stirling are partnering to collect, convert, and input data using the Municipal Infrastructure Management System.	\$78,979.31
REDCLIFF	The Town of Redcliff will implement an electronic permit system to assist in land use planning.	\$51,109.54
REDCLIFF	The Town of Redcliff will purchase and install a fixed asset management software module, and provide training.	\$7,637.06
REDWATER	The Town of Redwater will carry out phase 3 of the Redwater Multiplex upgrade, which includes purchasing and installing a fire suppression system and exhaust fan, a fryer and fry dump station, and tables and chairs.	\$20,204.00
ROCKY MOUNTAIN HOUSE	The Town of Rocky Mountain House, Clearwater County, and the Village of Caroline are partnering to purchase a rapid attack vehicle, to undertake a fire hall expansion feasibility study, and to upgrade the Rocky Mountain House Fire Hall, which includes the purchase of equipment, furniture, and appliances.	\$264,926.06
SEXSMITH	The Town of Sexsmith will design and construct a skateboard and BMX park.	\$38,680.00
SMOKY LAKE	The Town of Smoky Lake, Smoky Lake County, and the villages of Vilna and Waskatenau are partnering to improve the existing playgrounds by installing new playground equipment and by completing playground safety inspections.	\$11,794.25
SPIRIT RIVER	The Town of Spirit River, Birch Hills County, the Municipal District of Spirit River, and the Village of Rycroft are partnering to upgrade the entryway to the Spirit River Medical Clinic, to create barrier-free access, and improve energy efficiency.	\$32,111.25
ST. PAUL	The Town of St. Paul and the County of St. Paul are partnering to install energy efficient windows and doors for the St. Paul Civic Centre.	\$64,021.04
STONY PLAIN	The Town of Stony Plain will improve and expand the town's geographic information system to support organization-wide access by hiring a data-capture technologist, and by purchasing computer hardware, software, and aerial photography data.	\$111,738.00
STRATHMORE	The Town of Strathmore will upgrade the water treatment plant, which includes installing high capacity pumps and a larger flow meter, and making other mechanical modifications.	\$104,387.25
SUNDRE	The Town of Sundre will collect and analyze infrastructure management data to assist with recording tangible capital assets.	\$34,433.85
SWAN HILLS	The Town of Swan Hills and the Municipal District of Big Lakes are partnering to replace the town fire hall's insulation, roof, windows, and doors.	\$107,076.75

Municipality	Project Description	Approved Grant Amount
SYLVAN LAKE	The Town of Sylvan Lake and the Summer Village of Norglenwold are partnering to develop the Railway Park Promenade in downtown Sylvan Lake, which will include predominant landscape features, a paved multi-use trail, and a decorative plaza and green spaces.	\$212,061.25
TABER	The towns of Taber and Picture Butte are partnering to conduct an asset management study, which will include collecting, converting, and inputting municipal infrastructure data into the Municipal Infrastructure Management System and purchasing global positioning system equipment.	\$144,915.38
THREE HILLS	The Town of Three Hills will implement an integrated networking system, which will connect all municipal facilities and will improve water usage monitoring and reporting.	\$49,298.70
TOFIELD	The Town of Tofield will develop a leisure facility master plan, which includes conducting public consultations.	\$21,643.45
TOFIELD	The Town of Tofield, Beaver County, and the villages of Ryley and Holden are partnering to purchase a new ambulance.	\$73,222.50
TROCHU	The Town of Trochu will purchase laptop computers and software, which will include training for councillors, and purchasing a projector for the council chambers.	\$12,231.00
TURNER VALLEY	The Town of Turner Valley will purchase and install water main line valves, a fire hydrant, and automated water meter reading devices.	\$28,878.30
TWO HILLS	The Town of Two Hills will collect and input water and sewer infrastructure data into the Municipal Infrastructure Management System.	\$21,058.95
VALLEYVIEW	The towns of Valleyview and Fox Creek are partnering to purchase a truck-mounted jet/vacuum machine for sewer line maintenance and for locating underground utilities.	\$81,161.44
VAUXHALL	The Town of Vauxhall and the villages of Barons, Carmangay, Champion, and Hill Spring are partnering to develop new geographic information system (GIS) layers for the centralized Oldman River Region Urban GIS.	\$72,092.63
VEGREVILLE	The Town of Vegreville will upgrade the town's administration building, which will include energy efficiency lighting, insulation, and heating improvements.	\$62,191.80
VERMILION	The Town of Vermilion will expand its fire hall to include an additional bay.	\$50,553.11
VIKING	The Town of Viking will undertake part two of the data collection and infrastructure condition assessments for the Municipal Infrastructure Management System initiative.	\$20,400.60
VULCAN	The Town of Vulcan will install reflective insulation on its arena's ceiling to help reduce the facility's energy costs.	\$28,601.10
WAINWRIGHT	The Town of Wainwright will install and train staff on a new automated point-of-sale system for the Wainwright Communiplex.	\$9,825.00
WAINWRIGHT	The Town of Wainwright will conduct a structural and mechanical assessment of the Tory Heights Water Reservoir to develop a facility repair and upgrade plan.	\$52,800.00

Municipality	Project Description	Approved Grant Amount
WEMBLEY	The Town of Wembley will upgrade the council chambers, which includes painting, replacing furniture and flooring, and installing a wall-mounted multi-media presentation screen.	\$15,794.00
WESTLOCK	The Town of Westlock will purchase a hydro-vacuum truck.	\$96,400.00
WHITECOURT	The Town of Whitecourt and Woodlands County are partnering to purchase a new class A fire truck and related equipment.	\$186,575.81
<u>Village</u>		
ACME	The Village of Acme will install a high efficiency heating and cooling system for the municipal office.	\$14,572.80
ALBERTA BEACH	Alberta Beach will replace old pier lighting fixtures with energy efficient fixtures, and will install additional energy efficient streetlights.	\$16,265.70
ALIX	The Village of Alix will reclaim water wells that are no longer in use, which involves plugging the wells.	\$17,201.25
AMISK	The Village of Amisk will purchase and install valves and pumps in its water treatment plant.	\$6,110.00
ARROWWOOD	The Village of Arrowwood will contribute to the construction of a new fire hall.	\$7,771.50
BARNWELL	The Village of Barnwell will purchase and install water meters and the related electronic hardware.	\$13,087.80
BAWLF	The Village of Bawlf will remove sludge from its sewage lagoon.	\$10,326.00
BEISEKER	The Village of Beiseker will carry out energy efficient retrofits to the Canadian Pacific Railway Station building, which now houses the municipal office, the museum, and the library.	\$17,245.80
BERWYN	The Village of Berwyn will purchase and install residential water meters with electronic readers.	\$5,223.24
BITTERN LAKE	The Village of Bittern Lake will collect infrastructure data using the Municipal Infrastructure Management System.	\$10,000.00
BRETON	The Village of Breton will hire a consultant to prepare a municipal sustainability plan.	\$5,249.02
BRETON	The Village of Breton will hire a consultant to update its municipal development plan.	\$4,975.77
CARBON	The Village of Carbon will carry out phase 1 of the Virginia Park development, which includes installing signage, picnic tables, and the foundation for a pathway in the park.	\$7,770.00
CHIPMAN	The Village of Chipman will purchase and install new energy efficient windows, and upgrade the electrical system in the Chipman National Hall.	\$10,000.00
CLIVE	The Village of Clive will purchase a photocopier with colour printing and scanning capabilities.	\$8,319.00
CLYDE	The Village of Clyde will update its land use bylaw and prepare a municipal development plan to help facilitate future growth and development.	\$12,241.00
COUTTS	The Village of Coutts will purchase an energy efficient boiler for the Civic Center.	\$10,355.40

Municipality	Project Description	Approved Grant Amount
COWLEY	The Village of Cowley will purchase two emergency back-up generators for emergency situations.	\$8,291.25
CREMONA	The Village of Cremona will install a chlorine injection system for the water well, and conduct a hydro-geological assessment of the area.	\$11,112.75
DELBURNE	The Village of Delburne will develop an area structure plan for proposed annexation areas, and revise its municipal development plan.	\$15,627.00
DEWBERRY	The Village of Dewberry will complete enhancements to its fire services facility, which includes purchasing furniture, and office and communication equipment.	\$7,920.00
DONNELLY	The Village of Donnelly and the Town of McLennan are partnering to supply and install four-foot chain-link fencing around the perimeter of the Smoky River Airport.	\$31,763.90
DUCHESS	The Village of Duchess will develop a geographic information system, which will include parcel mapping, and water and sewer infrastructure data.	\$17,364.60
EDBERG	The Village of Edberg will purchase a tractor mower.	\$4,350.00
EDGERTON	The Village of Edgerton will purchase and install new energy efficiency appliances, which will include furnaces for both the office and pump house buildings, and a fridge to store water samples.	\$5,139.24
EDGERTON	The Village of Edgerton will perform leak detection on all the water distribution lines in the village, and will add this data to the Municipal Infrastructure Management System.	\$5,795.31
ELNORA	The Village of Elnora will install additional public use computers with SuperNet access in the public library.	\$5,466.00
FERINTOSH	The Village of Ferintosh will install an automated control panel for the sewer lift station.	\$4,584.00
GADSBY	The Village of Gadsby will construct a new foundation, and will replace the roof of a community building, which will be used to host local events.	\$3,360.00
GIROUXVILLE	The Village of Girouxville and the Municipal District of Smoky River are partnering to install power and water services at Girouxville Campground sites.	\$10,853.75
GLENDON	The Village of Glendon will contract regional constable services for the community.	\$7,800.00
GLENDON	The Village of Glendon will contribute to the purchase of fire fighting equipment, which will include a chop saw, a chain saw, and binoculars.	\$1,800.00
GLENWOOD	The Village of Glenwood and Cardston County are partnering to purchase programmable radios, and to complete fire hall upgrades, which will include replacing the overhead door and renovating the building.	\$31,347.94
HAY LAKES	The Village of Hay Lakes will purchase a remote water meter scanner and a laptop computer to monitor water usage.	\$10,860.30
HUGHENDEN	The Village of Hughenden will purchase and install an energy efficient natural gas heating unit in the public works garage.	\$1,941.14

Municipality	Project Description	Approved Grant Amount
HUGHENDEN	The Village of Hughenden will renovate a wastewater lift station, to create space for back-up generators, which will include electrical wiring and pipe replacement.	\$6,498.61
HUSSAR	The Village of Hussar will upgrade the municipal office and shop, which will include painting, replacing windows, electrical work, and installing an air conditioner.	\$4,629.00
IRMA	The Village of Irma will collect municipal infrastructure data for the Municipal Infrastructure Management System, which will include an inspection of the village's sewer collection system.	\$11,409.75
KINUSO	The Village of Kinuso will purchase sweeper and blade attachments for the village bobcat.	\$10,000.00
KITSCOTY	The Village of Kitscoty and the County of Vermilion River are partnering to upgrade the Kitscoty Fire Hall by constructing a paved entrance pad and fire lane to the hall.	\$29,997.00
LINDEN	The Village of Linden will construct a bulk water fill station to supply non-potable water consumers, which will result in a decrease to the current demand being placed on the regional treated water supply.	\$14,587.65
LOMOND	The Village of Lomond will purchase and install chlorine monitoring equipment and related computer hardware at the water treatment plant.	\$7,489.00
MANNVILLE	The Village of Mannville will purchase and install new insulated overhead doors and related equipment for its public works shop, to improve the building's energy efficiency.	\$7,835.85
MARWAYNE	The Village of Marwayne will replace an uninsulated overhead door with an insulated door, and replace overhead fluorescent lights with energy efficient lights in the village shop.	\$3,148.20
MARWAYNE	The Village of Marwayne will develop an area structure plan for the south end of the village and proposed annexation sites.	\$9,969.30
MILO	The Village of Milo will purchase snow removal and other maintenance equipment, supplies, tools, and landscaping materials.	\$4,035.00
MYRNAM	The Village of Myrnam will purchase and install water meters.	\$9,731.70
NAMPA	The Village of Nampa will conduct an energy assessment of municipal facilities, and implement recommendations resulting from the assessment.	\$10,474.00
NEW NORWAY	The Village of New Norway will replace water main valves in various locations in the village.	\$9,286.20
NOBLEFORD	The Village of Nobleford will upgrade the municipal office building grounds, which will include installing a new sign, a concrete patio slab, outdoor lights, a table, and benches; constructing sidewalks; and improving the parking area.	\$9,084.00
PARADISE VALLEY	The Village of Paradise Valley will replace office equipment, which will include a computer system, a photocopier/printer, and phones.	\$4,368.00
ROCKYFORD	The Village of Rockyford will collect and input water, sewer, and road infrastructure data for the Municipal Infrastructure Management System.	\$10,518.75

Municipality	Project Description	Approved Grant Amount
ROSALIND	The Village of Rosalind will purchase and install air conditioning units and exterior motion sensor lights at the multi-purpose municipal office and drop-in centre.	\$7,949.70
ROSEMARY	The Village of Rosemary will purchase a confined space safety system complete with harness vest and storage bags.	\$4,495.71
ROSEMARY	The Village of Rosemary will purchase a sewer auger with attachments and upgrade the coin adapter for the bulk water dispensing system.	\$5,889.39
RYLEY	The Village of Ryley will contract for the development of a website and one year of maintenance costs.	\$7,923.00
SANGUDO	The Village of Sangudo will implement a geographic information system to better monitor and manage its infrastructure.	\$10,860.30
SPRING LAKE	The Village of Spring Lake will upgrade roads in the municipality.	\$7,905.00
STANDARD	The Village of Standard will replace its six-inch main line water valves.	\$10,726.65
THORHILD	The Village of Thorhild will install energy efficient overhead doors for the public works shop.	\$4,819.32
THORHILD	The Village of Thorhild will conduct an infrastructure capacity assessment of its water, sewer, storm sewer, transportation, and solid waste systems.	\$7,228.98
THORSBY	The Village of Thorsby will collect spatial and attribute data on the village's roads, wastewater treatment system, and wastewater collection system for entry into the Municipal Infrastructure Management System.	\$16,815.15
TILLEY	The Village of Tilley will upgrade to an energy efficient furnace, air conditioner, and water heater in the municipal office.	\$6,798.00
WABAMUN	The Village of Wabamun will purchase a packer/roller for its road work.	\$8,409.00
WARNER	The Village of Warner will develop a municipal infrastructure plan, which will include compiling data on municipally-owned infrastructure and entering the updated information into the Municipal Infrastructure Management System.	\$10,578.15
WILLINGDON	The Village of Willingdon will purchase a new drinking water test kit, and the related supplies, to meet provincial standards.	\$1,473.91
WILLINGDON	The Village of Willingdon will remodel its garbage truck, which will be used to pick up waste material for recycling.	\$6,780.00
<u>Summer Village</u>		
ARGENTIA BEACH	The Summer Village of Argentia Beach will install new road signs, and a notice board on the municipality's "Welcome" sign.	\$1,116.00
ARGENTIA BEACH	The Summer Village of Argentia Beach will purchase a fire-proof file cabinet.	\$1,600.00
BIRCHCLIFF	The summer villages of Birchcliff, Jarvis Bay, and Sunbreaker Cove are partnering to purchase a portable emergency response kit to receive, register, and provide information updates to evacuees in the event of an emergency.	\$2,847.80

Municipality	Project Description	Approved Grant Amount
BURNSTICK LAKE	The Summer Village of Burnstick Lake will review best practices, finalize surveying and mapping, and develop a vision, a land use policy, enforcement procedures for its environmental reserve, and an implementation plan to address encroachments.	\$5,098.50
CASTLE ISLAND	The Summer Village of Castle Island will construct and install a municipal map sign and bulletin board.	\$5,098.00
CRYSTAL SPRINGS	The Summer Village of Crystal Springs will purchase a stand-alone information system, which will include computer hardware and software.	\$3,648.00
GHOST LAKE	The Summer Village of Ghost Lake will purchase fire suppression equipment, road and building signage, and office equipment for the Initial Response and Emergency Centre.	\$5,974.65
GOLDEN DAYS	The Summer Village of Golden Days will upgrade its website.	\$4,125.00
GRANDVIEW	The summer villages of Grandview, Argentia Beach, Norris Beach and Poplar Bay are partnering to purchase new office furniture and equipment for the shared municipal office.	\$2,500.00
GRANDVIEW	The Summer Village of Grandview will purchase and install sandboxes at T-intersections in the municipality.	\$1,765.00
GULL LAKE	The summer villages of Gull Lake, Birchcliff and Sunbreaker Cove are partnering to purchase a vehicle complete with enforcement equipment for the special constable.	\$16,802.16
HALF MOON BAY	The Summer Village of Half Moon Bay will upgrade public walkways and pathways within the municipality.	\$3,333.00
HORSESHOE BAY	The Summer Village of Horseshoe Bay will review and update its land use bylaw to reflect current land uses.	\$5,722.20
ISLAND LAKE	The summer villages of Island Lake, South Baptiste, and West Baptiste are partnering to conduct preliminary work for preparing watershed management plans.	\$24,242.63
ISLAND LAKE SOUTH	The Summer Village of Island Lake South will implement roadway drainage improvements and dust control methods.	\$6,004.35
ITASKA BEACH	The Summer Village of Itaska Beach will purchase and install municipal financial software.	\$3,090.00
JARVIS BAY	The summer villages of Jarvis Bay, Birchcliff, and Sunbreaker Cove will review the Sylvan Lake Management Plan 2000 policies regarding sensitive area protection and shoreline management practices. This project also includes installation of informational signs at public boat access points and other locations to identify sensitive habitat areas.	\$13,601.68
KAPASIWIN	The Summer Village of Kapasiwin will develop a new horseshoe pit facility.	\$3,126.00
LAKEVIEW	The Summer Village of Lakeview will construct a fence along the summer village's perimeter fireguard, which will include access gates at various locations.	\$5,172.75
MA-ME-O BEACH	The Summer Village of Ma-Me-O Beach will purchase new office equipment.	\$3,729.00

Municipality	Project Description	Approved Grant Amount
MEWATHA BEACH	The summer villages of Mewatha Beach and Bondiss are partnering to conduct a water study to address the low water level at Skeleton Lake, which will include recommendations for a water conservation plan, a water source protection plan, and a watershed management plan.	\$16,180.31
NORRIS BEACH	The Summer Village of Norris Beach will hire a surveyor to confirm the municipal reserve boundaries.	\$1,261.00
NORRIS BEACH	The summer villages of Norris Beach, Grandview, and Poplar Bay are partnering to generate a communication plan regarding the Pigeon Lake regional wastewater strategy that is currently being developed.	\$9,281.25
PARKLAND BEACH	The Summer Village of Parkland Beach will renovate the municipal office and upgrade office furniture and equipment.	\$3,873.00
PELICAN NARROWS	The Summer Village of Pelican Narrows will install a new computer and purchase other office equipment.	\$4,008.00
POINT ALISON	The Summer Village of Point Alison will develop the municipality's website, which will include software purchase, design services, and domain hosting fees.	\$1,000.00
POINT ALISON	The Summer Village of Point Alison will purchase a laptop computer and software.	\$2,090.00
POPLAR BAY	The Summer Village of Poplar Bay will carry out phase 1 of a recreational area and marina development project, which will include developing a strategy for the staged construction of a marina, evaluating existing facilities in the recreational area, and public consultations.	\$2,897.00
SANDY BEACH	The Summer Village of Sandy Beach will work to prepare a municipal development plan and amend its current land use bylaw.	\$7,934.85
SEBA BEACH	The Summer Village of Seba Beach will hire a consultant to review the current land use bylaw, identify areas requiring modification, attend and report on public consultations, and prepare a new land use bylaw.	\$6,984.45
SILVER BEACH	The Summer Village of Silver Beach will upgrade the special constable's vehicle with dual antennae radar, prisoner partition, and light-emitting diode (LED) light bar.	\$5,529.00
SILVER SANDS	The Summer Village of Silver Sands will purchase a packer/roller for repairing roads.	\$4,134.00
SOUTH VIEW	The Summer Village of South View will install a four-foot high chain link fence on the southern edge of Oscar Wikstrom Drive to enhance park safety.	\$3,783.00
SUNDANCE BEACH	The Summer Village of Sundance Beach will hire a consultant to study and recommend various wastewater treatment methods for the municipality.	\$5,499.00
SUNRISE BEACH	The Summer Village of Sunrise Beach will install additional street lights in the community.	\$3,855.00
SUNSET BEACH	The Summer Village of Sunset Beach will create and install a village property map, and install a village map sign board and street signage, to assist emergency responders.	\$1,650.00

Municipality	Project Description	Approved Grant Amount
SUNSET BEACH	The Summer Village of Sunset Beach will update its land use bylaw, which will include the collection and review of land use data, public consultations, and the conversion of land use documents and other related material to electronic format.	\$1,650.00
SUNSET BEACH	The Summer Village of Sunset Beach will repair the main road and install traffic control signs.	\$1,450.00
WAIPAROUS	The Summer Village of Waiparous will contribute to the purchase of a brush mower and a wood chipper for developing fire breaks.	\$5,766.75
WEST COVE	The summer villages of West Cove, Birch Cove, Nakamun Park, Ross Haven, Sunset Point, and Val Quentin are partnering to conduct storm water condition assessments and purchase laptop computers, to add data to the Municipal Infrastructure Management System.	\$47,946.94
WHISPERING HILLS	The Summer Village of Whispering Hills will hire an engineer to prepare tenders to improve the main road.	\$4,062.00
YELLOWSTONE	The Summer Village of Yellowstone will prepare a watershed management plan, which will include conducting an inventory of drainage materials and on-site surveying of watershed flows.	\$6,405.30
<u>Improvement District</u>		
I.D. NO. 12 (JASPER NATIONAL PARK)	Improvement District No. 12 will examine local government options.	\$3,441.00
I.D. NO. 13 ELK ISLAND	Improvement District No. 13 will examine local government options.	\$3,243.00
I.D. NO. 24 WOOD BUFFALO	Improvement District No. 24 will examine local government options.	\$6,321.00
I.D. NO. 4 WATERTON	Improvement District No. 4 will hold workshops to assist in developing an area structure plan to enhance the community centre.	\$7,251.75
I.D. NO. 9 BANFF	Improvement District No. 9 will hire a consultant to review its contracted ambulance services and to identify other ambulance service delivery options.	\$25,540.35
KANANASKIS IMPROVEMENT DISTRICT	The Kananaskis Improvement District will purchase pagers, radio units, and software for emergency service responders.	\$11,810.70
<u>Special Area</u>		
SPECIAL AREAS (2, 3 AND 4)	Special Areas, the Municipal District of Acadia, the towns of Hanna and Oyen, and the villages of Cereal, Consort, Empress, Veteran, and Youngstown are partnering to contribute to the cost of purchasing a municipal waste track loader to be used by the Big County Waste Management Services Commission.	\$144,695.00
<u>Metis Settlement</u>		
BUFFALO LAKE METIS SETTLEMENT	The Buffalo Lake Métis Settlement will continue to work to develop and populate the Municipal Infrastructure Management System.	\$18,597.15
EAST PRAIRIE METIS SETTLEMENT	The East Prairie Métis Settlement will work to update its disaster management plan, to train settlement staff and officials in emergency preparedness and related topics, and to purchase a radio communications system.	\$18,225.90

Municipality	Project Description	Approved Grant Amount
ELIZABETH METIS SETTLEMENT	The Elizabeth Métis Settlement will renovate its fire hall and purchase new equipment for the fire department.	\$17,201.25
FISHING LAKE METIS SETTLEMENT	The Fishing Lake Métis Settlement will purchase a water delivery truck to distribute treated water to settlement residents.	\$11,142.45
GIFT LAKE METIS SETTLEMENT	The Gift Lake Métis Settlement will purchase new equipment and supplies for the fire department, which will include boots, thermal cameras, spare cylinders, and air frames.	\$22,052.25
KIKINO METIS SETTLEMENT	The Kikino Metis Settlement will collect municipal infrastructure data for importation into the Municipal Infrastructure Management System.	\$20,134.95
PADDLE PRAIRIE METIS SETTLEMENT	The Paddle Prairie Métis Settlement will provide administrative training and consultant support to upgrade the skills of key administrative personnel.	\$9,723.00
Total Approved: \$13,490,946.98		

Municipality	Project Description	Approved Grant Amount
Projects Approved in Prior Years under the Multi-Year Pilot Project (approved grant for 2006):		
STARLAND COUNTY	Starland County and the Villages of Delia, Morrin and Munson are partnering to implement a solar power alternative for the water transmission and treatment facilities in the villages over the next three years (approved for a Multi-Year Pilot Project in 2004 - all years paid in 2004).	\$92,750.00
BRAZEAU COUNTY	Multi-Year Pilot Project to upgrade the Pih-to-kwe Campground, which includes installing utility services to existing campsites and the proposed shower house site, constructing the shower house, and expanding the number of serviced campsites (approved for a Multi-Year Pilot Project in 2005 - all years paid in 2005).	\$98,800.00
