(2) For the purposes of this Regulation, “usual residence” is determined in accordance with the following rules:

(a) a person can have only one place of usual residence;

(a.1) if a person has more than one residence in Alberta, that person shall, in accordance with subsection (3), designate one place of residence as the person’s usual residence;

(b) a person’s usual residence is the place where the person lives and sleeps and to which, when the person is absent from it, the person intends to return;

(c) a student who
(i) is in attendance at an educational institution within or outside Alberta,

(ii) temporarily rents accommodation for the purpose of attending an educational institution, and

(iii) has family members who are usually resident in Alberta and with whom the student usually resides when not in attendance at an educational institution is deemed to reside with those family members;

(d) the usual residence of a person who has been in an institution, such as a correctional institution or hospital, for less than 6 months is deemed to be the person’s usual place of residence before the person entered the institution.

(3) For the purposes of subsection (2)(a.1), a person shall designate the person’s usual residence in accordance with the following factors in the following order of priority:

(a) the address shown on the person’s driver’s licence or motor vehicle operator’s licence issued by or on behalf of the Government of Alberta, or on an identification card issued by or on behalf of the Government of Alberta;

(b) the address to which the person’s income tax correspondence is addressed and delivered;

(c) the address to which the person’s mail is addressed and delivered.

(4) In this Regulation, “shadow population” means, in respect of a municipal authority, the temporary residents of a municipality who are employed by an industrial or commercial establishment in the municipality for a minimum of 30 days within a municipal census year.

**Determination of population**

2 For the purposes of the Act, the population of a municipal authority is the population determined under section 4.

**Shadow population**

2.1(1) A municipal authority may apply to the Minister to have the shadow population included as part of the municipal census if the shadow population in a municipality is
(a) greater than 1000 persons, or
(b) less than 1000 persons but greater in number than 10% of the permanent population.

(2) An application under subsection (1) must be made prior to the municipal authority conducting the municipal census.

(3) The shadow population for a municipal authority must be verified every 3 years by a count held in the period starting on April 1 and ending on June 30 of the same year.

(4) The Minister shall determine whether the shadow population may be included as part of the municipal authority’s municipal census.

(5) If the Minister permits a municipal authority to use the shadow population as part of the municipal census, the municipal authority must submit the results of the count of the shadow population, in the form set out in Schedule 3, to the Minister before September 1 of the year in which the municipal census is conducted.

When census must be conducted
