# FORM 6

# Ballot

PURPOSE

Local Authorities Election Act (Section 42, 43, 44)

# Using Separate Ballots for Each Office

- A separate ballot must be used for:
- the office of chief elected official;
- the offices of councillors;
- the offices of school trustees

# Ballot for a Vote on a Bylaw or Question

The wording on a ballot for a vote on a bylaw or question must be determined by a resolution of the elected authority. The form of the ballot may be determined by a resolution of the elected authority, however, if no resolution is passed, the returning officer must determine the form.

### Arranging the Names on the Ballots

The names of the candidates on each ballot must be arranged alphabetically in order of the surnames and, if two (2) or more candidates have the same sumame, the names of those candidates must be arranged alphabetically in order of their given names.

If an elected authority passes a bylaw two (2) months before an election that provides that ballots be printed in as many lots as there are candidates for the office, section 43(3) of the Local Authorities Election Act applies.

# Indicating the Number of Candidates that can be Voted for

Every ballot used in an election for a member of an elected authority must contain a brief explanatory note stating the maximum number of candidates that can be voted for in order not to make the ballot subject to being rejected, and every ballot used in an election for chief elected official must contain a brief explanatory note stating that the ballot shall not be marked for more than one (1) candidate.

# Ballots for Public or Separate Members

Every ballot should indicate if the elector is voting for a public or separate candidate.

Form 6 depicts the ballot format required for the office of the chief elected official, and for other offices. Information is provided to clarify that a separate ballot is required for each office; arranging the names on the ballot; and for indicating the number of candidates who can be voted for.

The wording on a ballot for a vote on a bylaw or question is determined by resolution of the elected authority.

When voting machines are used for taking votes, the elected authority may, by bylaw, determine the ballot form.

FORM 7

# Instructions for Electors

Local Authorities Election Act (Section 45)

To Vote:

Mark each ballot by placing an "X" in the space provided on the right hand side opposite the name of the candidate(s) of your choice. The ballot indicates the maximum number of candidates that can be voted for. You may vote for less than the maximum number, but not for more.

# After Marking Your Ballot(s)

Hand the ballot(s) to the deputy supervising the ballot box. The deputy will, after verifying the initials on the ballot(s), deposit the ballot(s) in the ballot box or, at your request, return the ballot(s) to you for deposit in the ballot box.

You have now completed the voting process. Please leave the voting station.

# Bylaw or Question Ballot

In the case of a ballot for a bylaw or question, mark the ballot by placing an "X" opposite either "For" or "Against" or opposite either "Yes" or "No".

# Spoiled Ballot(s)

If you have marked your ballot in error, or defaced it in any way, you may return it and obtain a replacement from the deputy who gave it to you.

If a ballot is torn, defaced, or otherwise dealt with by an elector so that the elector can be identified, the ballot is rejected and shall not be counted.

> - A Person May Only Vote Once -It Is An Offence To Take A Ballot Out Of A Voting Station

Form 7 provides instructions to electors on the voting process.

The form must be posted within each voting compartment and at a conspicuous location within the voting station.

The form is often enlarged so that the print is more easily read by the elector.

Form 8 serves both as the statement made by the elector that he/she is eligible to vote, and as an account of the ballots issued to the elector and any other circumstances that pertain to the elector and are required to be noted. This form is specific to local jurisdictions other than summer villages (See Form 8SV).

A person who makes a false statement is guilty of an offence and is liable to imprisonment up to six months or a fine up to \$10,000, or to both a fine and imprisonment.

A separate form must be completed for each elector.

# INSTRUCTIONS

1. Enter the complete and official name(s) of the local jurisdiction(s) for which the election is being conducted, the date of the election and, if applicable, the voting subdivision or ward, and the voting station number. Preprinting this information onto the forms will save valuable time in the voting station.

2. Ask the elector to print his/her name and address in the spaces provided, read the statement, and sign it. The elector is not required to read the statement aloud. Where applicable, the elector must also check if he/she is a public or separate school resident.

5. Enter the voter number in the space provided. Start with the number 1 for the first elector, and then for each elector thereafter, assign the next consecutive number. A separate form must be completed for each elector. Voter numbers may be preprinted in consecutive number order on each of the forms however, if this is done, ensure that consecutive number order is maintained to calculate the number of persons who registered to vote.

6. Check to indicate the elector has produced identification as required by Section 53 of the *Local Authorities Election Act* or by local bylaw.

5. Indicate the ballot(s) issued to the elector by checking the appropriate boxes. Fold and initial the ballots so that the initials are visible without opening the ballot. Hand the ballots to the elector and direct him/her to the voting compartment.

Voting Register (Form 8) Instructions Continued ...

6. If a person who makes the statement is objected to by a candidate, official agent or scrutineer, note the objection by entering the name of the candidate, official agent or scrutineer making the objection and the reason for the objection, and then initial the objection in the space provided. The person may continue with the voting process.

7. If an elector is unable to mark his/her ballot in the usual manner because he/she is unable to read, or does not understand the English language, or is incapacitated by blindness or another physical condition, and is accompanied by a friend, the friend may assist the elector in marking his/her ballot as directed by the elector.

You must:

- Administer to the elector, the verbal <u>Statement of Interpreter or Incapacitated Elector</u> contained on Form 11, and complete that portion of the form.
- Administer to the friend of the elector, the <u>Statement of Friend of Incapacitated Elector</u> contained on Form 11. The statement is made on the same form on which the incapacitated elector made his/her statement.
- Enter a check in the box provided on the elector's Voting Register form to indicate his/her ballot(s) was marked by another person, and note the reason why it was so marked.
