Host Preferences List 2012-2014 Municipal Internship Program for Land Use Planners

**Print or scan this page, indicate your selections, sign and return it as part of your application package by mail or email.

→ From the list of eight host organizations, please indicate with an "X" which ones you would like your application package sent to, should you make the shortlist. You may select as many as you would like. Only select those organizations that you would be willing to move to. The host organizations you select do not affect whether or not your application is shortlisted as there is no maximum number of applications that are sent to any one of the host organizations.

You are encouraged to learn more about each host organization before you indicate your selections. To learn more about each host organization, click on its name.
